**Prior Quantitative/Analytics Coursework Completed**

This form allows the MSBA program to understand any prior quantitative/analytics coursework you have completed or in progress, in order to support your individualized study plan once you are enrolled in the program. Please list all courses you acquired the skills from. Please note this is not a “pre-requisite” form.

Skills Acquired	Course Title on Transcript	Grade (if in progress, input "IP")	Term	Year	University
<i>SAMPLE</i>	<i>Exact Name on Transcript</i>	<i>9/10</i>	<i>Spring</i>	<i>2022</i>	<i>University of Illinois at Urbana Champaign</i>
Calculus I					
Statistics I					
SQL					
Python					
R					
Tableau/Power BI					
<b>Other Analytics Courses (input additional analytical skills acquired/tools learned in the 1<sup>st</sup> column)</b>					

**Self-learning/on-the-job Training Record**

If you have acquired any above-mentioned skills from self-learning or work experience, please fill out the form below (see sample in the 2<sup>nd</sup> row). Please note this is not a “pre-requisite” form. You may complete both forms.

Skills Acquired	Source of Training (Self-learning or Work)	Training Topic/Online Course Title	Training Platform	Date Completed (MM/DD/YYYY)
<i>SAMPLE Skill</i>	<i>Self-learning</i>	<i>Data Analytics A-Z with Python</i>	<i>Udemy</i>	<i>12/18/2022</i>
