

# AWHONN Intermediate Fetal Heart Monitoring Course

Continuing Education for  
University of Chicago IDPH Administrative Perinatal Center

**Thursday, March 9, 2023**

Edward Hospital  
801 S Washington Street  
Naperville, IL 60540  
From 0800-1600

### Expected level of learner:

This intermediate class is designed for registered nurses with a **minimum of 6 months clinical nursing experience using fetal heart monitoring technology in an intrapartum setting.**

### Course Requirements:

Participants will be required to complete the online content (approx. 3 hours) before attending the 8 hour in-person day. The online content opens up 30 days prior to the in-person class and closes 24 hours before.

**\*If online pre-work is not completed you will not be allowed to attend the in-person day\***

### Continuing Education Credit

AWHONN is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.

Upon *successful completion* of program, participants earn 11.25 contact hours of continuing education.

For successful completion, the participant must complete all online modules prior to attending the in-person day. No partial credit awarded.
