

# The University of Illinois at Chicago Perinatal Center

Invites you to attend our upcoming Lunch & Learn

## Webinar:

# Impact of Substance Use on Adoption Planning

Presented by

**Kristina Knapp**  
Community Outreach and  
Educational Specialist

*One-hour in-service training with 1 CEU for nurses, social workers and counselors*

**January 19th 2021 from 12:00 - 1:00 pm CST**

**Purpose:** To understand the care coordination and preparation required when providing adoption-planning services to pregnant women with a substance use history

### **Objectives:**

- \* Understand the unique challenges facing women who are using substances and making an adoption plan
- \* Explore case studies that illustrate the need for a multidisciplinary approach under these circumstances
- \* Learn about education provided to the adoptive parents prior to the placement of a substance-exposed newborn .

### **Impact of Substance Use on Adoption Planning**

Tuesday, January 19th, 2021 12:00 PM - 1:00PM (CDT)

*The meeting can be joined from your computer, tablet,  
or smartphone.*
