

Neonatal Intensive Care Review Webinar

February 22 & 23, 2023

Viewing options:

From home or group viewing on site at Hinsdale Hospital (limited to 50 persons)

*Note: The in-person is a live virtual presentation.

Presented by Med·Ed

Course Overview

This course is designed to supplement study materials for the NCC certification exam to obtain the RNC-NIC designation and the AACN certification exam to obtain the CCRN-neonatal designation. The course will focus on core concepts that are essential for caring for high-risk newborns. Preparation is recommended prior to participation in this course.

Learning Outcomes

- Review the core components covered by the exam through test questions and lecture review
- Review requirements for the exam and recertification

Contact hours: 13.5

Med-ED, Inc. is accredited as a provider of continuing nursing education by the American Nursing Credentialing Center's Commission on Accreditation (ANCC).

Pass Guarantee

MED-ED is so confident in the quality of our programs and presenters, that we guarantee you'll pass your certification exam or you will receive a full tuition-refund.

We want you to pass! That's why to qualify for a refund, the exam must be taken within 35 days of the seminar date or On-Demand eLearning, DVD-ROM or Audio CD course purchase date.

To be eligible for the refund, your request must be postmarked or received by our office within 30 days of receipt of your Exam Score Report.

Conflict of Interest Disclosure: The planners and faculty have declared no conflict of interest to disclose.
