**Subject:** LERA Winter Meeting - Bring a Laptop (if you need one)

Dear LERA Session Chairs, We are getting excited to welcome all of you to San Francisco at the upcoming LERA Winter Meeting 2016, in conjunction with the ASSA/AEA. I'm sure that you have contacted your session participants, received copies of their papers, and given them direction about timelines and how you wish to run your session, and have visited the LERA and the ASSA websites for information/logistics about attending the meeting.

Just in case someone isn't aware yet, please remind all your participants that should they wish to make an electronic presentation they will **need to bring their own laptop**. We will have a screen package and LCD projector available, and a connecting cord will be available for IBM-compatible computers only. If an individual brings an apple or iMac or something else, they will also need to **bring a connecting cord from their computer to the LCD projector**. They will also need to remember to bring their presentation (hopefully on a thumb drive); we are not guaranteed to have any facilities to send or receive e-files on site.

Paper presenters are invited to submit their papers for publication in the LERA Proceedings; Chairs and Discussants are invited to submit discussant remarks. There is more information about this online at the links below.

Here are some helpful links:

- **LERA PARTICIPANT INFO PAGE** (PLEASE READ TOP TO BOTTOM IF YOU ARE A CHAIR, AT LEAST ONCE, and direct your session participants to this information; it contains information you are responsible to know and disseminate to your participants.)

**Subject:** ASSA 2016 Annual Meeting--Useful Information

### Badge Requirement

ASSA badges are required at all sessions and events. Please be sure to wear your badge at all times to ensure access.

### Shuttle Service

We are providing [hotel shuttle service](#) to many, but not all hotels. In most cases it is more convenient to walk or take BART (Bay Area Rapid Transit). BART is closed Sunday morning, so we will run expanded shuttle service that morning.

## **BART**

BART is also a great way to get from San Francisco International Airport (SFO) or Oakland International Airport to your hotel. Check out the link below for BART stations and ticket information or to purchase BART SFO vouchers, which cover round-trip fare between SFO and downtown San Francisco.

[https://www.aeaweb.org/Annual\\_Meeting/BART.php](https://www.aeaweb.org/Annual_Meeting/BART.php)

## **SuperShuttle**

You also have the choice of the [SuperShuttle](#) shared ride from both airports.

We look forward to seeing you in San Francisco!
