Illinois Student Assistance Commission - ISACorps Community Worker

We're looking for recent college graduates who are passionate about public service and giving back to the community to join the Illinois Student Assistance Corps (ISACorps). As a member of the ISACorps, you will work with middle and high school students and families, particularly those with no college-going experience, to help them better understand and prepare for education after high school. No experience is necessary and substantial paid training is included.

ISACorps members represent ISAC in schools and at events in every community in Illinois. **While our office is in Deerfield, we hire ISACorps statewide to work their own communities.** Residents of every city in Illinois may apply.

Job Duties:

- Provide accurate, complete, and sensitive counsel to students facing academic, financial, and social barriers to higher education.
- Deliver quality curriculum and presentations to Illinois students and their parents.
- Represent ISAC in the classroom setting, parent information nights, and college preparation events.
- Promote programs and services offered by ISAC to communities throughout the state.
- Provide technically proficient, yet easily accessible advice and information to the parents of potentially college-bound students on the college admission and financial aid application process.

The ISACorps offers an opportunity to learn, network and continue your education!

- Bachelor's degree required
\$30,000 annual salary
5 weeks paid vacation (three weeks are predetermined)
12 paid sick days
12 paid holidays
Tuition Waiver at select public Illinois universities

How to apply: <https://recruiter.isac.org/>

Click on ISACorps Community Worker. Once the application is submitted, you will receive a confirmation email.
