## **Healthy and Safe Working Environments**

**Please be sure when you are applying for open positions, it is important to ask about measures these organizations are taking to keep their employees safe during the COVID-19 crisis. Recommended questions are below.** If you are unclear about your rights or benefits at work [please review this guide for navigating COVID-19 and employment in Illinois](#) presented by the UIC Center for Healthy Work. If you have questions about how to approach this subject with a potential employer please get in touch with the Career Services staff at [careerservices@uic.edu](mailto:careerservices@uic.edu). If you are concerned about your health and safety at work during COVID-19 please email [healthywork@uic.edu](mailto:healthywork@uic.edu).

Things to consider/ask:

1. What are the company policies for sick and family leave?
2. Are workers provided paid sick leave during the COVID-19 pandemic? How many days of paid sick leave are workers provided? How many days of unpaid leave are given?
3. What measures (i.e. social distancing) are in place to ensure workers' health and safety?
4. Are workers being provided personal protective equipment (PPE) at no cost to them while on the job?
5. How is the company limiting workers' exposure to COVID-19?
6. Have you had any positive cases of COVID-19? If so, what have you done to mitigate the spread of cases after the positive case was confirmed?
7. Are workers given hazard pay? How is hazard pay compensated? If workers are only able to get hazard pay for working overtime, will the company provide hazard pay until the pandemic ends?
