You will need to input your UIN (9-digit student ID number) to proceed to the next screen.

### Request an Audit

▼ Run Declared Programs:

School	Degree Program	Title	Catalog Year	Marker
UKV	0343 NONE	LAS - BACHELOR OF ARTS DEGREE	202008	.

► Select a Different Program:

Advanced Settings *Click to view available options.*

Run Declared Programs Cancel

If you have not yet declared a concentration, you can run a different degree audit to see what requirements you have met for your desired concentration. Do this by clicking on the **“Select a Different Program”** tab.

Otherwise, hitting the **“Run Declared Programs”** button will run your declared “Degree Program” which is currently defaulted as no concentration in Political Science. Learn more about declaring a concentration in political science by clicking [here](#).

Once you have selected the **“Select a Different Program”** tab, you are able to choose a program to run. In the drop-down menu, select the political science concentration you wish to run a degree audit for.

Helpful note: you can run an audit for any major. If you plan to double major or switch majors, you can run an audit for a prospective major to see the progress you are making towards that major. This is a helpful way to get an idea of other major requirements. **This does NOT replace the need to see an advisor in Political Science or in your second/prospective major.**

The screenshot shows the 'Request an Audit' form. The 'Program' dropdown menu is open, displaying a list of options. The selected option is 'Political Science: Citizen Politics - 03435660BALA'. Other options include 'Political Science: Civic Leadership - 03435472BALA', 'Political Science: General - 03435659BALA', 'Political Science: International Relations - 03435664BALA', 'Political Science: Law and Power - 03435663BALA', 'Political Science: Public Policy & Democratic Inst - 03435661BALA', 'Political Science: World Politics - 03435662BALA', and 'Political Science: requires a concentration - 0343 BALA'. The 'Catalog Year' is set to '-'. At the bottom, there are buttons for 'Run Different Program' and 'Cancel', and a link for 'Advanced Settings'.

Your “Catalog Year” will be the year you first registered as a degree-seeking student at UIUC (or your “Admit Term”). Select the term that applies to you and then [Run Different Program](#)

You should now be able to see your degree audit, which includes any “IP” or “In-Progress” courses (in-progress includes your current registered semester and any future semesters you have already registered for at the time the audit is generated).
