October 24 • 6-7 pm

Name, Image Likeness Initiative - How IU Maurer Law Students are Helping Hoosier Athletes

As student-athletes navigate the still-emerging complexities of the NCAA's new policy surrounding name, image and likeness -- also referred to as NIL -- they'll now have a homefield advantage: one of the country's top intellectual property clinics. Learn how Hoosier athletes will get an assist from our law students through this initiative.

October 27 • 6-7 pm

Family Office Program

This talk, hosted by Professor Bill Henderson and Michael Flannery '83, CEO of Duchossois Capital Management, will offer insights about family offices in general, their tremendous growth in recent years, and the opportunities this phenomenon has created for lawyers. Come and hear how IU Maurer has developed a program—the first in the U.S.—that focuses specifically on training the next generation of professionals who advise family offices.
